Singapore is well-positioned as a leading global aviation hub and the industry continues to present great opportunities for Singapore, as global passenger traffic and aircraft demand increases both here and in the region.

The aviation industry is also exploring more Industry 4.0 and automated solutions to continually stay competitive. Endless opportunity presents itself with the ongoing digital transformation and new technologies.

At RHTLaw Asia, we are dedicated to providing innovative legal solutions that answer the specific needs of each organisation. We go the extra mile in supporting the public and private sectors, corporate clients and HNWLs in realising their potential, managing their risks and enabling transactions.

Our Aviation practice provides a broad range of services with sector specialists who have in-depth industry knowledge and extensive experience in the region. Our team handles dynamic legal issues facing the aerospace industry, including new technologies, such as unmanned aerial systems. Our international Taylor Wessing network and ASEAN Plus network enable us to advise you across the lifecycle of projects, including the pre-development stages of such projects.

We combine technological and international expertise with tailor-made legal advice considering all aspects of the law to meet your requirements.

For the success of your project(s) you will require legal advice across many areas.

Our areas of expertise include:

- Aircraft transactions including sale & purchase, leasing, and financing
- Regulatory Compliance
- Litigation including claims, repossession of aircraft and aviation accidents

ABOUT RHTLAW ASIA

RHTLaw Asia offers a different perspective on client experience and commercial thinking. As a leading regional law firm headquartered in Singapore, clients can expect intelligent and innovative solutions from a team that is attuned to the nuances of doing business in Asia. With access to our own ASEAN Plus Group, a network of leading firms comprising over 2000+ lawyers in 14 jurisdictions around Asia, as well as our membership with The Interlex Group, a global network of leading law firms, we help clients understand the local challenges, navigate the regional complexity to deliver the competitive advantage for their businesses in Asia.

We collaborate closely with the RHT Group of Companies to provide an all-rounded integrated business solution. We believe in pushing the boundaries of what can be achieved for our clients in this evolving marketplace.

ABOUT ASEAN PLUS GROUP

ASEAN Plus Group (APG) is a group of full-service and well-established law firms in Asia, with strong local knowledge and international expertise. The group functions as a bridge for our clients to venture regionally with confidence. APG provides clients direct access to 14 lucrative markets in the region, including Singapore, Australia, Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Malaysia, Philippines, South Korea, Taiwan, Thailand and Vietnam. Together our APG team is not only attuned to the nuances of working in Asia, but also possesses the added perspective and expertise of an international firm.

What sets us apart is that we operate as a single unit while delivering multi-jurisdictional and multidisciplinary representation on some of the most complex transactions.
